My name is Luisa Blom. I graduated from Gymnasium with my major in art in the summer of 2020. Because of this, I had the opportunity to go to the Zürcher Hochschule der Künste for a four-month preliminary course to be able to get into art school later this year!

Art has always been a passion of mine and has always given me a certain pride and comfort, so I am happy to be able to share my work with you today.

Currently, I am working in retail in a bakery shop in my
